Competitions.

We hope that you will enjoy Ride+Stride Day on the 12th September 2015. It gives everyone an excellent opportunity to visit parish churches, those special treasures of our county's heritage. Many will take the chance to spend time exploring them but others like to set themselves a challenge and it is for these riders that we have two competitions.

The **first competition** is for the church that raises the largest amount in sponsorship money.

The **second competition** is intended to encourage people to visit out of the way churches and other churches taking part for the first time. Each church has been given a "star" rating and the award will be given to the person accruing the highest number of stars. The church's rating is shown as a number in the church's details in the List of Participating churches. The method of rating this year is not very sophisticated and is based on the number of visits made to each church in the preceding year. A new church taking part automatically gets 5 stars. Perhaps next year we might refine it depending on how it goes this year. If you wish to take part in this competition please enter the number of stars in the column on your sponsor form with a "*" at the top and add it up. (I will check your additions but I will not add it up it for you!)

Prizes will be given for First, Second and Third in each competition and will take the form of a cheque made payable to the winning church or the winner's church in the case of the second competition. The awards will be made at the Winkburn gathering in the following year.
